Dear Sir:

May I add my plea
to the many others that
you are receiving - that
you make an immediate
Executive Order prohibiting
racial segregation in the armed
forces. We ~~surely~~ trust you
to do this before the draft machinery
is set up on August 16.

You have the precedent of
President Roosevelt's Executive
Order on Fair Employment during
the war. This is one of the greatest
ways to let the world know that you
are sincere in wanting full civil
rights for every citizen.
Yours truly, ^{MIS} Esther Davis
