RECEIVED

Honorable Harry S. Truman
President of the United States
White House
Washington, D. C.

My dear Mr. President:

I am advised that the Committee Against
Jim Crow in Military Service and Training is
seeking permission for a Commission of Inquiry
to go to Germany to look into the operation of
the executive orders against racial and religious
discrimination.

May I express to you my hope that this
application may have the fullest and, if possi-
ble, favorable consideration from the Department
of Defense.

I believe this group is sincerely working
to gather data which will build support for the
program to eliminate discrimination from the
armed services.

Faithfully yours,

Paul H. Douglas
