RECEIVED

Honorable Harry S. Truman  
President of the United States  
White House  
Washington, D. C.

My dear Mr. President:

I am advised that the Committee Against Jim Crow in Military Service and Training is seeking permission for a Commission of Inquiry to go to Germany to look into the operation of the executive orders against racial and religious discrimination.

May I express to you my hope that this application may have the fullest and, if possible, favorable consideration from the Department of Defense.

I believe this group is sincerely working to gather data which will build support for the program to eliminate discrimination from the armed services.

Faithfully yours,

Paul H. Douglas
