

THE WHITE HOUSE
WASHINGTON

9/8/48

Mr. D:

Mr. Marx Leva called back to say that he was unable to get to the Secretary to ask about Philip L. Graham. He said that he had mentioned him yesterday to the Secretary, but had gotten no reaction. He will talk with him again the minute he has the chance.

Mr. Leva said, however, that he had checked with Secretary Royall re Graham. Mr. Royall reiterated his interest in Jonathan Daniels for Chairman, and doubted the advisability of making Graham Chairman.

Leva passed this along for what it was worth and will still talk with Mr. Forrestal.
