MEMO FOR HONORABLE DON DAWSON:

Charles Fahey spoke to me about filling these vacancies, and I am inclined to agree with him that it is just as well if they are not replaced. The fact is that the Committee has very little to do nowadays except wait for an eruption.

MEMORANDUM FOR DAVID KILHIS

The Honorable A. J. Deming has submitted his resignation from the Committee on Quality of Treatment and Opportunity in the Food Service. Charles Fidy is not disposed to recommend the appointment of a new member at this time due to the fact that the Committee is now working in harmony after considerable arduous discussion, and to appoint a new member would perhaps upset things. It would be best to go through the same process of orientation as the other Committee members did, which would take some time.

May I have your views?
