April 19, 1949

Mr. Kenworthy:

Enclosed is copy of the letter from the Secretary of Defense, with memoranda attached, about which I talked to you this morning. Could you get copies of these to each of the Members of the Committee immediately?

Charles Fahy
Dear Mr. Fahey:

I have your letter of 5 April, asking me to appear on 26 April before the President's Committee on Equality of Treatment and Opportunity in the Armed Services. I have considered your invitation very carefully. Quite frankly, I feel that an appearance before your group would be premature, on the one hand, and unprofitable, on the other, since I have not yet had time to inform myself adequately on the details of this difficult problem. However, on 6 April, I addressed a memorandum to the three Secretaries, which sets forth a broad initial statement of policy. At the same time, I directed each of the three Departments to do two things: (a) to examine its present practices and determine what forward steps can and should be made in the light of this policy and of Executive Order 10440 dated 20 July 1943; and (b) to state in writing its detailed implementation of the general policy. I further directed that these written statements should be submitted to the Personnel Policy Board, Office of the Secretary of Defense, not later than 1 May 1949.

It is my intention to have these statements reviewed by the Personnel Policy Board to determine their adequacy. It is also my intention to have the Personnel Policy Board study our initial statement of policy together with the statements of the Departments in order to determine whether or not that policy may be strengthened or otherwise improved.

For the information of your Committee, I am enclosing a copy of my 6 April memorandum to the three Secretaries on the subject of "Equality of Treatment and Opportunity in the Armed Services."

Sincerely yours,

/s/ Louis Johnson

   b. To assist in achieving uniform application of this policy, the following supplemental policies are announced:

In the light of this policy and in view of Executive Order 9961, dated July 26, 1948, which directs that this policy shall be put into effect as rapidly as possible with due regard to the time required to effectuate any necessary changes without impairing efficiency or morale.

3. Following the completion of this study, each Department shall state, in writing, its own detailed implementation of the general policy stated herein and such supplemental policies as may be determined by each Service to meet its own specific needs. These statements shall be submitted to the Chairman of the Personnel Policy Board, Office of the Secretary of Defense, not later than 1 May 1949.
