MEMORANDUM FOR THE PRESIDENT

Subject: Palestine.

According to information reaching us from Zionist sources at San Francisco, the Zionists desire to confer with you in the near future in anticipation of your meeting with Mr. Churchill, as they think it is likely that Palestine will be discussed at that meeting.

For your information, we are preparing some material for you on Palestine for possible use at the meeting, as we feel that it will be necessary for the British to make some decision regarding that country in the near future. It is not our belief that the question is one which will require detailed discussion, or any decision on your part, during the course of your meeting with Mr. Churchill. It would be most helpful, however, if we could have some idea of the intentions of the British Government with regard to the future of Palestine.

The Zionists will undoubtedly give you some memorials and some printed matter and will urge that you insist upon a settlement of the question in their favor. You may recall that our basic attitude on Palestine is that it is one of the problems which should come up for settlement after the war through the United Nations

Organization,

Organization, and that in any event no decision regarding it should be taken without full consultation with both Arabs and Jews. It does not seem, therefore, that you need to go any further, unless you care to do so, than to thank the Zionist leaders for any material which they may give you and to assure them that their views will be given your careful consideration.
