MEMORANDUM FOR MR. ROSS:

Since the Korean situation developed, approximately ~~850~~ telegrams and 275 letters have been received. 225 of the telegrams were prior to the President's statement on Tuesday - 200 favoring intervention, 25 in opposition.

Of the 675 remaining, approximately 325 approved the President's action, 225 opposed, and approximately 125 are of a miscellaneous nature.

As to the letters, they are running so far ten to one in favor of the President's action.

Attached are copies of the more important telegrams. *mf*
