During the night of 15-16 Sept the First Marine Div further consolidated its positions in Inchon and to the south thereof, meeting only sporadic resistance. Coordinated attacks this morning all link up the two wings of the Div. ROK Marines, attached to the First Marine Div, are clearing up the northern half of the city of Inchon.

Preparation for the landing of heavy equipment and supplies progressed throughout the night. The high tide this morning will provide the first use of the inner harbor of Inchon for this purpose. Operations continue exactly on planned schedule.
