I am in full concurrence with your suggestion. The broadcast will be initiated from Tokyo and Seoul Sunday, October 1st at 1200 hours Tokyo time. I have made minor modifications in the context of the proposed broadcast so that it will read as follows: "To the Commander in Chief, North Korean Forces; The early and total defeat and complete destruction of your armed forces and war making potential is now inevitable. In order that the decisions of the United Nations may be carried out with a minimum of further loss of life and destruction of property, I, as the United Nations Commander in Chief, call upon you and the forces under your command, in whatever part of Korea situated, forthwith to lay down your arms and cease hostilities under such military supervision as I may direct—and I call upon you at once to liberate all United Nations prisoners of war and civilian internees under your control and to make adequate provision for their protection, care, maintenance and immediate transportation to such places as I indicate. North Korean Forces, including prisoners of war in the hands of the United Nations Command, will continue to be given the care dictated by civilized custom and practice and permitted to return to their homes as soon as practicable. I shall anticipate your early decision upon this opportunity to avoid the further useless shedding of blood and destruction of property. Signed Douglas MacArthur."
