The Joint Chiefs of Staff are proud of the great successes you have achieved. We realized that they would have been impossible without brilliant and audacious leadership and without the full coordination and the fighting spirit of all forces and all arms. From the sudden initiation of hostilities you have exploited to the utmost all capabilities and opportunities. Your transition from defensive to offensive operations was magnificently planned, timed and executed. You have given new inspiration to the freedom-loving peoples of the world, we remain completely confident that the great task entrusted to you by the United Nations will be carried to a successful conclusion.
