Marine atks this morning linked up the two wings
and secured the City of Inchon. The div is advancing and
is now approximately three miles east of the city astride
the Seoul highway. Air support has destroyed hostile tank
and motorised elements attempting to converge on our advance.

All combat and logistical elements maintain planned
schedules. The weather continues favorable.

With the liberation of Inchon from Communist rule now
accomplished, elements of ROK forces have been charged with
the preservation of its internal law and order and with the
