Honorable Harry S. Truman
The White House
Washington, D. C.

My dear Mr. President:

By unanimous vote of those present at a meeting of the Directors of the American China Policy Association, Inc., May 15, 1952, I have been instructed to thank you for a letter received from Mr. Francis H. Russell, Director of the Office of Public Affairs, Department of State, which is in answer to a letter sent you by our Association, April 10, 1952.

Our letter asked about the possibility of forced repatriation of POWs in Korea. Mr. Russell’s letter called our attention to your statement of May 7th, in which you say “we will not buy an armistice by turning over human beings for slaughter or slavery.”

By unanimous vote, our Directors instructed me to congratulate you on the position taken in connection with those POWs who do not wish to return to Communism. In their opinion, your firm refusal to return a single POW who does not wish to go back to the Communist dictatorship, will strengthen Asian confidence in American integrity.

Most respectfully yours,

Alfred Kohnberg, Chairman
