Dear Sir,

I am authorized to write to you in behalf of the...

Dear President Truman:

I believe we should turn the North Korean and Chinese prisoners back to the North Koreans irrespective of their wishes. I do not believe that we have any right to hold them and thus prolong the war.

My son is a 2nd. Lieutenant in the 1st. Marine Division, and is in the front line at present. And I would not trade the life of one American boy for all the Koreans.

With best wishes,

James T. Mayall
