There follows a generalized statement of conditions of cease-fire to
be used in first instance in consultation with Yezo. The
General UN attitude towards committee's work should be to make every
effort to speed up agreement process so as to avoid further
waste of human life in Korea.

Q7S The US Govt, as the UC of UN forces in Korea, and the
Committee which has contributed the large majority of the forces engaged
on behalf of the UN in Korea, is of the opinion that the ful and
indispensable elements in a cease-fire which the UN can accept
are:

(1) All forces and authorities concerned, including those of
UN and CHINESE CHINA, shall order and enforce a cessation of all acts
of armed force. This cease-fire shall apply to all of Korea.

(2) There shall be established a demilitarized area around
all of Korea, of approximate 20 miles in width with the southern limit
following generally the line of the 38th parallel.

(3) All ground forces shall remain in position or be withdrawn
to the rear forces, including guerrillas, within or in advance of the
demilitarized area must be moved to the rear of the demilitarized area;
air forces shall respect the demilitarized zone and the areas
beyond the zone; opposing naval forces shall respect the

4. All ports and authorities shall cease promptly the introduction into Korea of any reinforcing or replacement units or personnel, including volunteers, and the introduction of additional war equipment and material.

5. Prisoners of war shall be exchanged on a one-for-one basis, pending final settlement of the KOR question.

6. Appropriate provision shall be made in the cease-fire arrangements in regard to steps to insure the security of the forces, civil, state and police power in the demilitarized zone, the movement of refugees, and the handling of other specific problems arising out of the cease-fire.

7. Supervision of the cease-fire shall be by a UN commission whose members, and its designated observers, shall have free and unlimited access to the whole of Korea and shall insure full compliance with the terms of the cease-fire. All ports and authorities shall cooperate with the cease-fire commission in the performance of its duties.

8. The cease-fire shall be confirmed by appropriate action of the UN and shall continue in effect until superseded by further steps approved by the UN. Wrote
