Dear Sir:

During the hearings held before the Subcommittee of the House Committee on Post Office and Civil Service on H. R. 3886, a bill "Providing for a Federal Employees' Loyalty Act of 1947", the Commission was requested to furnish the Committee certain statistics regarding actions taken by the various departments and independent establishments with reference to removal of persons from the payroll for loyalty reasons.

The following information covering the first nine months of fiscal year 1947 (July 1, 1946 - March 31, 1947) for your entire agency is requested:

a. Total number of persons found ineligible for employment for loyalty reasons.

In compiling the foregoing statistics, only those ineligible cases actually processed by your organization during such period should be included. Persons removed from the payroll at the request of the Civil Service Commission are to be excluded. The Commission, at the time of its appearance before the Subcommittee, presented the statistics on the removal of employees subject to the Commission's jurisdiction; therefore, this category must not be included in the department's statistics reported above.
The Subcommittee, at the time of making this request, also asked that the information be furnished as expeditiously as possible. Consequently, the Commission would appreciate your cooperation in furnishing this statistical information as soon as possible. A reply is requested not later than July 5, 1947, regardless whether or not any cases were handled, in order that we may report the composite data for the entire Federal Service to the Subcommittee.

Inquiries regarding this request may be directed to the Central Office of the Civil Service Commission, telephone extension 651. Please address your reply to the attention of the Federal Employment Statistics Staff, Civil Service Commission, 220 Main Building, Washington (25), D.C.

This request has been approved by the Bureau of the Budget in accordance with the Federal Reports Act of 1942.

By direction of the Commission

Very respectfully,
