DECLASSIFIED  
EO. 11652, Sec. 3(E) and 5(D) or (E)  
CSD letter, May 3, 1972  
By WST/6/..., NARS Date 10-17-73

Assistant Secretary of War  
4E-886, The Pentagon 4964

13 April 1945

Commanding General  
UK Base Section  
London, England

Number WAR 67388

From the Secretary of War for Weir and Cutter care of Military  
Adviser EAC American Embassy for McCloy.

Last sentence of WAR 67164 should read as follows: "I do not know what documentation is available, but I am somewhat worried for fear that entire lack of oral testimony for the prosecution will militate against the power of the whole presentation and the effect on the public opinion of the world, particularly if the defendants make strong assertions of the guilt of other nations towards Germany coupled with historic precedents of other national aggression in the world."
