To Marshall for Somner's Office Asst Secy of War
from McCloy ref nr UK 34063 signed Koenig. TOPSECRET

Monday had informal talk with Lord Chancellor at
which he explained reasons for favoring political disposal
as reported in UKX 33596, 13 April. I explained to him War
Department reasons for urging some judicial form of trial.

Today Lord Simon's office advises that memorandum
of British policy on Axis leaders is being sent to Washington
through Foreign Office. No copy furnished here. Apparently
high level discussion in Washington is contemplated promptly.

Please advise Colonel Stinson, Judge Rosenman, and
Hockworth.
