Dear Mr. Secretary:

As I told you over the telephone, I received the following cable from Justice Jackson:

"French represented by Judge Falco of the High Court. Seemed in accord our protocol so far as appears preliminary conversations. Russians arriving today, one of representatives being Trainin whose book endorses our general view. Prospects of agreement on protocol are good. Will you advise me whether, if it is agreeable, I am authorized to sign. Have never discussed this matter. Understand others will be authorized to act. Think it very desirable to be in position close matter if possible. Will you confer Grew and cable? Sorry you are absent."

I communicated with the President out West, and I have been informed that Justice Jackson should be authorized to sign any protocol or agreement which conforms with the general principles already enunciated by the Justice.

Will you please prepare the necessary authorization and send it to him?

Very sincerely,

Samuel I. Rosenman

Honorable Joseph C. Grew
Under Secretary of State
Washington, D. C.

THE PRESIDENT.

I have word from Justice Jackson that the prospects of agreement on a protocol are good. He would like approval to sign if satisfactory. It appears that the representatives of the other three nations will be authorized to sign. I think it would expedite matters if he could. You have approved the general principles and I would recommend that Justice Jackson be authorized to sign any protocol which conforms with those principles.

If you will advise me, I will have authority sent to him.

Rosenman
