My dear Mr. Attorney General:

Barrett is a proposed Executive Order, presented by the Secretary of War, entitled "Appointment of the Members and the Alternate Member of a Military Tribunal Established for the Trial and Punishment of Major War Criminals in Germany".

The proposed order designates Charles R. Sexson, formerly Presiding Justice of the Supreme Court of New York; William S. Humphreys, formerly Associate Justice of the Supreme Court of Minnesota; Frank W. Johnson, formerly Judge of the Supreme Court of Indiana; the members; and Richard Hilliard Dizikes, former Judge of Superior Court, North Carolina, as the alternate member of one of the several Military Tribunals established by the Military Government for the United States Zone of Occupation within Germany pursuant to the quadripartite agreement of the Control Council for Germany, entered December 20, 1945; as Central Council Law No. 10, and pursuant to Articles 10 and 11 of the Charter of the International Military Tribunal, which Tribunal was established by the Government of the United States of America, the Provisional Government of the French Republic, the Government of the United Kingdom of Great Britain and Northern Ireland, and the Government of the Union of Soviet Socialist Republics, for the trial and punishment of major war criminals of the European Axis.

WAR DEPARTMENT
WASHINGTON

Honorable James E. Webb
Director, Bureau of the Budget
Washington 25, D. C.

Dear Mr. Webb:

There is enclosed a draft of the proposed Executive Order entitled "Appointment of the Members and the Alternate Members of a Military Tribunal Established for the Trial and Punishment of Major War Criminals in Germany" which it is requested be submitted to the President for his approval and signature. A similar request was recently submitted for the appointment of members and an alternate member for the staffing of the third Local Court.

The War Department (War Crimes Branch, Civil Affairs Division) is charged with responsibility of procuring qualified judges for the staffing of the Local Courts in Germany for the trial of major war criminals subsequent to the proceedings of the International Military Tribunal at Nuremberg.

In order to staff the fourth such Court, it is recommended that the following names be appointed by the President as Judges: Mr. Charles E. Mears, formerly President Justice of the Supreme Court of New York; Mr. William C. Christiansen, formerly Associate Justice of the Supreme Court of Minnesota; and Mr. Frank M. Hughes, formerly Judge of the Supreme Court of Indiana; and as Alternate Judges: Mr. Richard Bellard Drew, formerly Judge of Superior Court, North Carolina, The Theater Commander, as Military Governor of the United States Zone in Germany, will designate the presiding judge of the Court.

The functions of these tribunals are essentially military and as such are a responsibility of the Secretary of War. For this reason all of the personnel, that may be assigned to such judicial duties will, during the tenure of this assignment outside of the continental limits of the United States, be subject to War Department orders, through the Commanding General of the European Theater of Operations.

It is recommended that the civilian appointees mentioned above be entitled, for all purposes other than that of command, and without the responsibility of the comparable military grade, to the considerations and securities of a General Officer of the Army of the United States. This arrangement has been submitted to the Theater Commander and has been
approved, and is in conformity with the Adjutant General's Letter, ALA-78-230 (26 October 1945) dated 21 November 1945, subject: Civilian personal in overseas theater. (Enclosure 1)

For the purpose of effecting the appointments mentioned above, there is enclosed a draft Executive Order (Enclosure 2). It is requested that it be submitted to the President for his approval and signature. Also enclosed is a letter from the Secretary of War to the President outlining the qualifications of each nominee (Enclosure 3). A copy of the Charter of the International Military Tribunal, (Enclosure 4) and the Civilian Personal Law No. 10, (Enclosure 5) referred to in the draft Executive Order, are enclosed for your information.

As stated in my letter of 28 November 1945, recommending the appointment of the members of the first Special Court, it is estimated that no more than 24 civilian judges will be required to staff three Special Courts. These 24 judges were recommended by GOFO Cable 5103/3, 19 October 1945, (AL 18 23526, 19 October 1945) which requested that they be employed by the War Department under GOFO designation number 23L, each at the Civil Service grade of F-4, plus $100 per diem.

Sincerely yours,
