

MESSAGE FROM PRESIDENT ROOSEVELT TO DR. STEPHEN S. WISE AT THE OPEN-
AIR MASS DEMONSTRATION IN MADISON SQUARE PARK, JULY 31, 1944

"Please express to those gathered at the meeting to protest the deportations and cruelties visited upon the remaining Jewish community of Europe my feelings of abhorrence of these desperate acts of the enemy. I repeat to all concerned my earlier warning that those who participate in these acts of savagery shall not go unpunished."
