Sedl
von List
von Kuehne
von Steyngold
von Fulrenshamm
von Reichenau
Struep
von Falkenhayn
von Bock
von Fritze
von Hoyos
Assau
von Bismarck

These names are only a limited selection. All the German
commanding generals and officers in the occupied territories and
in Germany itself, whether in the fighting forces or in the
military administration, share in the responsibility for the
executions of the extermination. For the names of the individuals
guilty we depend on the files of the military authorities of the
United Nations.
